

Foster Parent Orientation

Waukesha Department of Health and Human Services invites you to attend a foster parent orientation meeting. These meetings are open to anyone who is interested in learning about our foster care program. If you are currently in the process of becoming a licensed foster parent, you are required to attend an orientation session prior to approval of your foster care license.

We encourage you to complete the online foster parent pre-placement training prior to attending this information session. The training can be found online at <http://wcwpds.wisc.edu/foster-parent-training/>. Please save the certificates after you have completed each module. These are required to become licensed.
